Dear Friend of the League,

The Naval Submarine League has created a Legacy Society for those who feel strongly about advocating for the future of the Submarine Force. The Society is a group of committed individuals who have included the League in their estate plans. This can be done by will, trust, life insurance, retirement plan or charitable life income arrangement. Please consider joining me as a member of our Legacy Society by including the League in your estate plans in whatever way might be appropriate to your situation. Please contact Tim Oliver, the Executive Director, for more information.

Sincerely,

A handwritten signature in blue ink, reading "John B. Padgett, III".
